11 Days in August
The only document made at that time on the historic 11 days from the assassination of Ninoy Aquino to his funeral, with exclusive interviews of several members of the Aquino family and of many ordinary Filipinos who joined the long funeral march to prove that their hero was not alone.

People Power: The Philippine Experience
A documentary on the events that changed the course of Philippine history, from the Ninoy Aquino assassination in 1983, through the Snap Presidential Election up to the demonstration of “People Power” at EDSA, which toppled the Marcos regime in February 1986.

MASKARA
A suspense-drama feature on the challenges of upholding the truth in the fight against corruption.

Citizen Journalism
This course seeks to train citizen journalists out of ordinary citizens using the most accessible media technology available to them. At the end of this course, the participants shall be equipped with communication tools and interfaced platforms of communication for solidarity, development and transformation.

Social Media for Evangelization
This seminar-workshop will provide the participants the skills in maximizing Social media (photo-sharing, video-sharing, gaming, etc.) in evangelizing both young people and adults. This can be an effective and innovative tool in teaching Religious Education in schools, parishes and communities.

PEACE Camp
This is a seminar-workshop for young people (Christians, indigenous and Muslims) for enhanced understanding on the commonalities and differences of their cultural beliefs, dreams, aspirations and practices that will lead to harmony and peace. There will be other skills that the participants can learn like photography, script writing, theater/acting, dance-drama, painting, song writing and poetry according to their choice.

Production Courses
( A related training workshop for non-professional )
Comprehensive training in screenplay writing, covering the elements of TV and Film drama, script format, technical terms, conceptualization, writing the synopsis, treatment and full script.

Recollections and Retreats on the Spirituality of the Heart
This is given to individuals, groups or communities based on their needs to strengthen one’s spirituality in a special place for reflection, meditation, and reconnection to God, self and others.

Catechetical Congress

**Objective:** This is a 5-day workshop on innovative and creative teaching methods and catechetical approaches, using group and interpersonal media as well as video and film. Open to catechists, Christian Living teachers, religious education directors and pastoral workers. This is offered yearly in April and/or May.

**Scope:** Identifying and Presenting Newsworthy stories, Accuracy and Accountability, Ethics of Journalism, Basic Production Skills

Digital Photography, Audio-Video Production and Traditional Media

The goal for this workshop is to teach participants how to take professional-quality outputs with their digital cameras and mobile phones. Participants will also learn in-depth skills in photography and audio-video production using easy-to-understand tips and hands-on training integrated with traditional media for blended-learning.

Values Education and Integration

The seminar aims to help participants define and identify the different values inherent among Filipino educators and students; understand and apply the mechanics and process of integrating values and produce sample lesson plans explicating values integration in one particular subject. This can also be given to groups and communities to increase awareness on the need for values integration in day to day living.

Seminar on Environmental Awareness and Advocacy

This will increase the level of awareness among the participants on the environmental issues affecting the local, national and global level. This will also develop and enhance the skills in maximizing social media as a tool for advocacy for environmental protection. The participants will be able to plan out initiatives to be implemented in their locality.

True Love Waits

This seminar will educate young people and single adults in their biological/physiological, emotional, psychological and spiritual development. This will enable the participants to express their feelings and opinions towards the opposite sex creatively respecting the maturity and readiness to commit oneself in a loving relationship. As a result, they will be able to love others anchored in the context of God’s love.
Communication Foundation for Asia

Is a pioneer in development communication. It was established in 1968 as a non-stock, non-profit organization.

“The way to a customer’s heart is much more than loyalty. Making customer evangelists is about creating experiences worth talking about.”

- Valeria Maltoni
